Event Photos – please read

Up until now, we've had a photographer capturing key moments at our events. Many of you have told us you'd love photos of yourselves out on the trail.

At the Auckland event, for the first time, we've partnered with Photos4Sale to capture images of every participant. After the event, you'll receive a link to view your photos and can purchase them on a "pay what you want" basis.

If you'd like a keepsake to remember the day, we encourage you to purchase a photo — this will ensure we can offer this service at future events.

Walk n Talk

Great trails, great conversations! We love a good walk and talk, and we hope you do too! That's why we've placed conversation placards along the trails to spark fun and meaningful chats along the way.

What small things brighten your day?

What's something new you've tried recently & loved?

What do you wish you had spent more time on when you were younger?
