This course has straightforward navigation and a central start-finish point, this course is ideal for both tempo runs and comfortable group walks, offering a balanced blend of distance, flow, and community atmosphere.

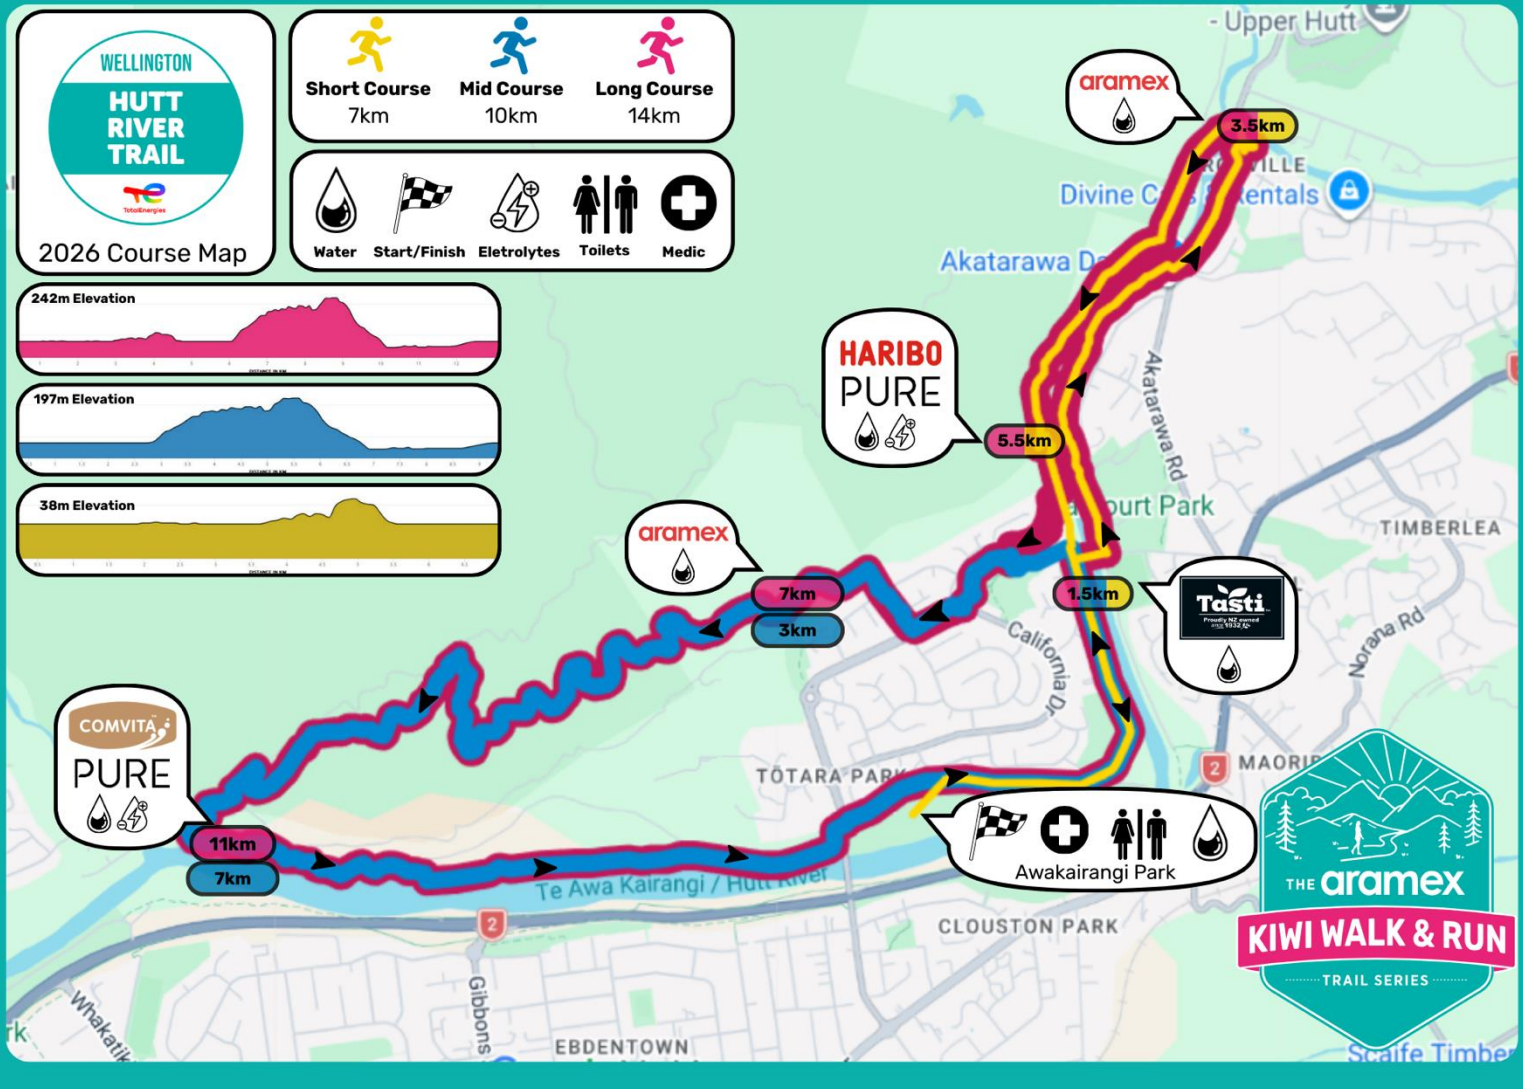

## Mid Course Overview 10km

The 10km mid course begins in Awakarangi Park and heads north before joining the bush-lined trails beneath Cannon Point. Runners follow a mix of undulating off-road tracks, with several short climbs and descents as the course weaves along the Valley View Road side of the hill. The route then loops back toward the river, returning along the flat path beside the Hutt River before finishing back at Awakarangi Park. The 14km long course starts at Awakarangi Park and travels north along the Akatarawa River Trail through Brown Owl and Birchville, using mostly flat riverside paths. After reaching the far end of the course, runners return along the Hutt River Trail, enjoying a fast, flat final section beside the water. The route finishes back at Awakarangi Park.
